GEORGIA REGENTS HEALTH SYSTEM

We are Georgia's only academic health system, offering patients superior quality, expertise, and the most advanced technology available.

Georgia Regents Health System is a not-for-profit corporation that manages the clinical operations associated with Georgia Regents University.

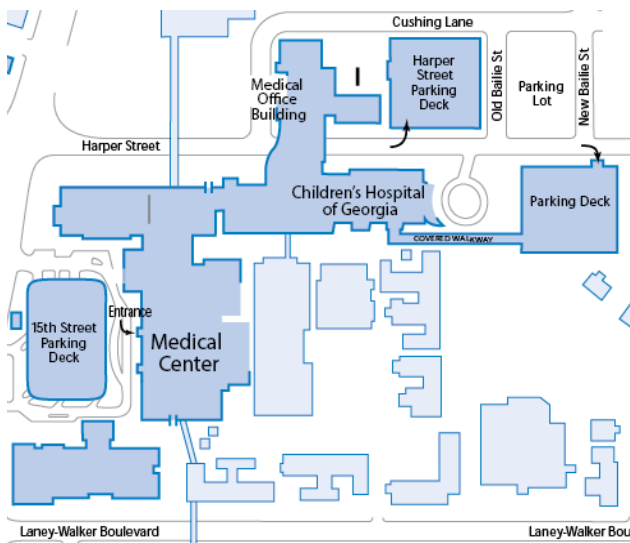

The health system includes the 478-bed Georgia Regents Medical Center; the Georgia Regents Medical Office Building, with more than 80 outpatient practice sites in one convenient setting; the Critical Care Center, housing a 13-county regional Level I trauma center; the 154-bed Children's Hospital of Georgia; and a variety of centers and units such as the Sports Medicine Center, the Georgia Regents Radiation Therapy Center, and the GRU Cancer Center.

Welcome to Georgia Regents Health System

Thank you for choosing us.

We want to make your stay as comfortable as possible
and hope this information will be helpful to you.
